**NATURE OF PROBLEM:** Below and on the following page or in an attached letter, please provide a complete statement regarding the nature of the problem and the assistance needed from this office. Attach copies of any additional pertinent documents.

On the 12<sup>th</sup> of June 2010, the FCC ordered all churches with wireless microphones operating in the 700 MHz ranges to stop using these microphones, destroy these microphones, and purchase new microphones in the 800 MHz range. (<http://www.fcc.gov/cgb/wirelessmicrophones/FAQ.html>) Unlike the Digital Divide transition, no help was provided to help churches make this transition. Additionally, the FCC stated they were requiring us to do this due to law enforcement agencies migrating to this new 700 MHz frequency. Upon contacting our local law enforcement officials, they state they are NOT operating on the 700 MHz frequency and have no plans to purchase new radios that operate on these frequencies. Our church is looking at least \$2000 to purchase new microphones to change to this new frequency range (800 MHz). We are wondering about where we must change out our microphones? Also, speaking with Audio T...
